+88 01849 715021

Dhaka, Bangladesh

Full Stack Developer with 3.5+ years of experience designing, developing, deploying, and maintaining scalable web applications. Experienced in **end-to-end software delivery**, spanning **frontend** and **backend** development, RESTful APIs, database design, **Docker-based deployments**, **Linux server administration**, **Nginx configuration**, CI/CD pipelines, and production infrastructure management. Proven ability to lead and mentor engineering teams, drive technical decisions, and collaborate with stakeholders to deliver reliable, high-quality software. Familiar with AI-powered application development, including LLM integrations and Retrieval-Augmented Generation (RAG) solutions.

Work Experience

Fullstack Web Developer (Sr. Executive)

Navana Real Estate | H-3, R-90, Gulshan 2, Dhaka

Jun 2025 - Present

- Developed and maintained enterprise web applications and RESTful APIs for **12 business units** across the Navana Group using Next.js, Node.js, NestJS, Express.js, PostgreSQL, and Prisma.
- Managed production infrastructure using Docker, Linux, Nginx, PM2, and CI/CD practices, ensuring secure, reliable, and scalable application delivery.
- Led a team of 3 developers by mentoring junior engineers, assigning tasks, reviewing code, and driving technical decisions while collaborating with cross-functional stakeholders

Fullstack Web Developer

IT Corner Limited | 290/6/A Khilgaon, Dhaka

Aug 2024 - Jun 2025

- Developed and maintained scalable full-stack web applications using React, Next.js, Node.js, Express.js, MongoDB, and PostgreSQL, delivering production-ready features across frontend and backend.
- Built AI-powered solutions, including LLM-integrated APIs, Stable Diffusion image generation, Retrieval-Augmented Generation (RAG) applications, and AWS S3-based file storage services.

Junior MERN-Stack Developer

Bitpixel Software Solutions | Mirpur - 6, Dhaka

Jun 2023 - Aug 2024

- Developed and maintained full-stack web applications using React, Next.js, Node.js, Express.js, and MongoDB, contributing to an EdTech platform connecting students with tutors and a US-based senior care platform that helps families find retirement communities and care homes while collaborating with senior developers to deliver new features, resolve issues, and improve application performance.

Core Skills

JavaScript, TypeScript, React, Next.js, Node.js, Express.js, Nest.js

MongoDB, PostgreSQL, Git, Figma

Docker, Linux, Nginx, PM2, Git, CI/CD

Education

Ahsanullah University Of Science and Technology

Bachelor of Science in Electrical and Electronics Eng. (EEE)

Passing Year: Aug 2021

Language

Bangla (mother tongue), English (intermediate)
